We hope to see you at the

2nd Annual 2010 Florida State Youth Championship

1. A.T.A. rules will govern this tournament and all scores will be included in the official A.T.A. records. By entering these events all, shooters agree to accept official decisions and abide by the rules. Violation of A.T.A SAFETY RULES may be cause for disqualification and removal from the grounds.

2. **Florida residents** must present their paid A.T.A. average card with a valid Florida address to be eligible for resident titles and awards. No shooter may compete for the Florida Resident Awards unless for the immediate preceding six (6) months he or she has been a **bona fide resident** of the state of Florida and a member in good standing with the F.T.A. In the case of a dispute with respect to the residence of any shooter entering this tournament, the Tournament Committee shall rule on a shooter's right to compete as a Florida resident and any ruling of the committee shall be final. **Any complaint must be filed within 30 days of the last day of the shoot.**

3. All shooters must provide a paid **A.T.A. average card** with all scores posted and averaged prior to being classified. Previous and current averages plus "known ability" will determine A.T.A. classification as follows:

A.T.A. Four Class System

<u>Class</u>	<u>Singles</u>
A	95 and up
B	92% and under 95%
C	89% and under 92%
D	Under 89%

4. Please declare your **A.T.A. special category** at the time that you are classified and verify your category each time you enter an event to ensure that you are included in the competition. Special categories Sub-Junior (not reached his/her 15th birthday and Junior (15 and not reached his/her 18th birthday).

5. To prevent unnecessary delays, please be at your proper starting trap ready to shoot when your squad is called. Squads cannot wait for absent shooters and must start without them. A shooter missing more than this or her first sub-event will be scratched and may re-enter through the cashier only. Shooters may **make up one sub-event** on the practice trap. A shooter cannot re-squad by just joining another squad on the line that has an open position. If the rules and procedures are unclear, please consult the Tournament Officials for assistance.

6. Ties in Singles events will carry over to the next like event. and be decided by Sub event. Ties in Handicap events may flip (if all shooters involved agree) or shoot-off. Each shooter will be called for a shoot-off three (3) times. If a shooter does not report for a shoot-off, he or she will forfeit the title and the award.

7. Shooters are limited to winning only one award per event. When a shooter's score qualifies for more than one award, **the burden is on the shooter to notify the F.T.A. Secretary-Treasurer within fifteen (15) minutes** of the posting of the last score of his or her award choice. Where F.T.A. awards are provided, Florida residents may no longer participate in a class shoot off and then fall back to their category.

8. All Florida youth shooters must pay the daily A.T.A. (\$2.00) and F.T.A. (\$2.00) fees. Entry fees are non-refundable unless an event is canceled by the Host Club Management. Entries will close when the last squad takes the line.

9. The Host Club and Tournament Officials reserve the right to change the **Official Program** for this tournament. The Host Club reserves the right to reject, refund or disqualify anyone who interferes with the harmony, conduct or sportsmanship of the tournament.
