## Tournament Rules

1. A.T.A. rules will govern this tournament and all scores will be included in the official A.T.A. records. By entering these events all shooters agree to accept official decisions and abide by the rules. Violation of A.T.A. SAFETY RULES may be cause for disqualification and removal from the grounds.

2. Florida residents must present their paid A.T.A. average card with a valid Florida address to be eligible for resident titles and awards. Adult Florida residents must also show their valid Florida Drivers License or their valid Florida Voter Registration Card as proof of residency. No shooter may compete for the Florida Resident Awards unless for the immediate preceding six (6) months he or she has been a bona fide resident of the state of Florida and a member in good standing of the FTA. In the case of a dispute with respect to the residence of any shooter entering this tournament, the Classification Committee shall rule on a shooter's right to compete as a Florida resident and **any ruling of the committee shall be final. Any complaints must be filed in writing within 30 days of the end of the shoot.**

3. All shooters must provide a paid A.T.A. average card with all scores posted and averaged prior to being classified. Previous and current averages plus "known ability" will determine A.T.A. classification as follows:

### A.T.A. Five Class System

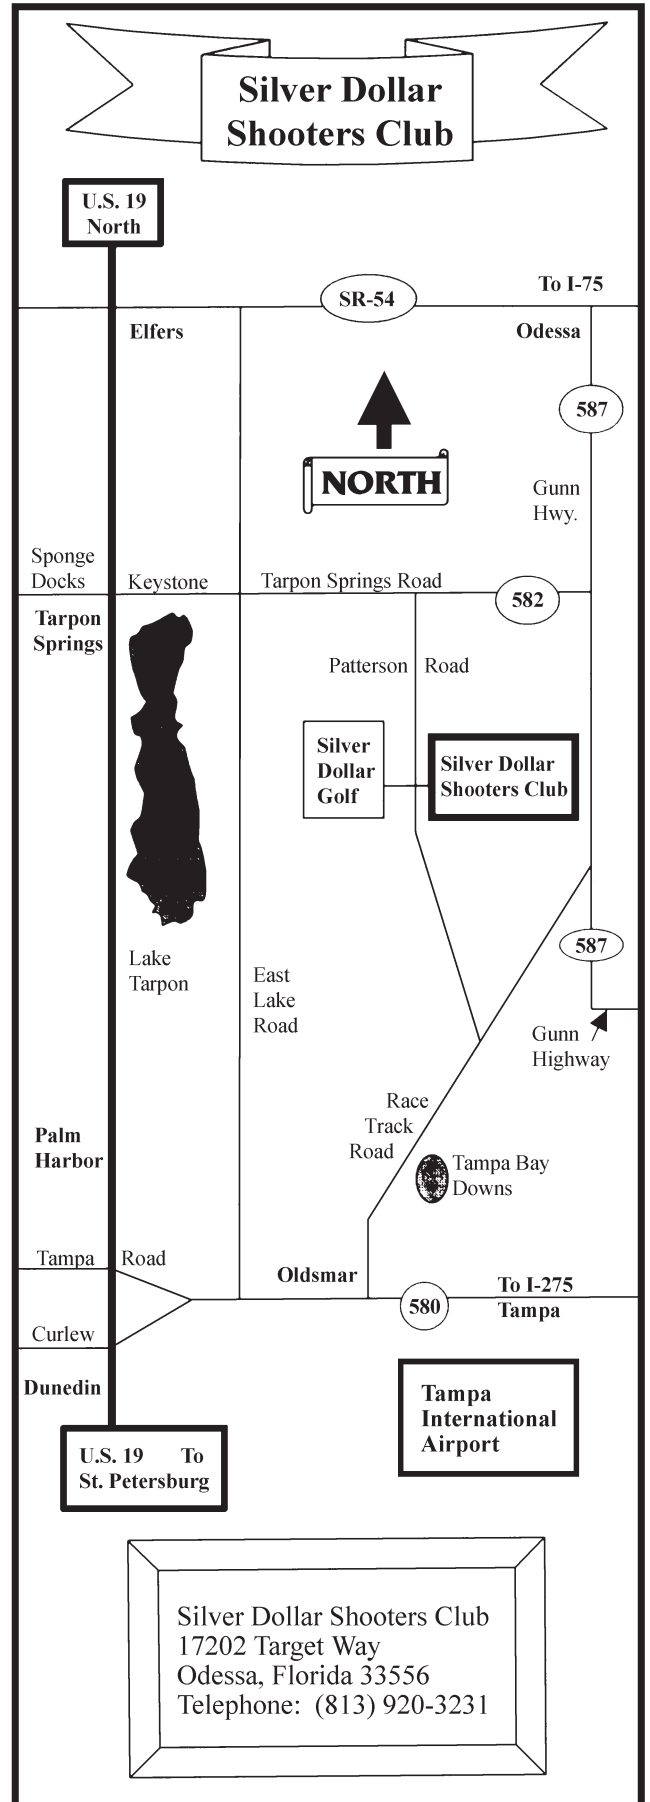

Class	Singles	Doubles
AA	97% and up	93% and up
A	94% and under 97%	89% and under 93%
B	91% and under 94%	85% and under 89%
C	88% and under 91%	78% and under 85%
D	Under 88%	Under 78%

Shooters with less than 1,000 Singles in the current and previous year must shoot in "Class A" or higher, unless they shoot "Targets Only". Shooters with less than 500 Doubles in the current and previous year must shoot in "Class A" or higher, unless they shoot "Targets Only". Shooters with less than 1,000 Handicap targets in the current and previous year must shoot on the "Twenty-three Yard Line" or higher, unless they shoot "Targets Only". Shooters who have been classified for "Targets Only" cannot play purses or options and they are not eligible for trophies, titles or added money! Registered A.T.A. targets shot during Preliminary Events may be used to achieve the minimum target requirements, but the burden is on each shooter to report for reclassification.

4. Please declare your A.T.A. special category at the time that you are classified and verify your category each time you enter an event to ensure that you are included in the competition. Special categories are Lady, Sub-Junior (a shooter who has not reached his/her 15th birthday), Junior (a shooter who is 15 but has not reached his/her 18th birthday), Veteran (65 to 69 years) and Senior Veteran (70 years and up).

5. To prevent unnecessary delays, please be at your proper starting trap ready to shoot when your squad is called. Squads cannot wait for absent shooters and must start without them. A shooter missing more than his or her first sub-event will be scratched and may re-enter through the cashier only. Shooters may **make up one sub-event** on the practice trap. A shooter cannot re-squad by just joining another squad on the line that has an open position. If the rules and procedures are unclear, please consult the Tournament Officials for assistance.

6. All ties will be shot off. Each shooter will be called for a shoot-off three (3) times. If a shooter does not report for a shoot-off, he or she will forfeit the title and the award.

When less than five (5) shooters enter a purse or option, the purse or option will be eliminated and the money refunded.

11. Only regulation A.T.A. trap loads may be shot. Factory shells and reloads may be used; however, suspect shells will be subject to challenge by Tournament Officials and all violators will be disqualified. **Keep guns unloaded until on the line and it is safe to shoot.** Test shots will not be permitted on the program trap fields.
