-TOURNAMENT RULES-

1. The Host Club Officials reserve the right to reject or to disqualify any person, who interferes with the harmony of this tournament. A.T.A. Rules will govern this tournament and all scores will be entered in the A.T.A. official records. By entering these events, all shooters agree to accept official decisions and abide by the rules! Violating **A.T.A.** or **Host Club Safety Rules** will be cause for disqualification and removal from the grounds!

2. **Florida Residents** must present their paid A.T.A. Average Card, with a **Florida Address** to be eligible for resident titles, trophies, and added money! Adult **Florida Residents** must also show their valid **Florida Driver License or their Florida Voter Registration Card** as proof of residency. No trapshooter may compete for **A.T.A. Trophies**, unless for the immediately preceding six (6) months he/she has been a **bona fide resident** of the **State of Florida** and a member in good standing with the F.T.A. In case there is a dispute with respect to the residence of a shooter entering this tournament, it shall be the duty of the Classification Committee to rule on a shooter's right to compete as a **Florida Resident** and any such ruling shall be final! All complaints must be filed within 30 days of the last day of the shoot.

3. All shooters must provide their paid **A.T.A. Average Card** with all scores posted and averaged. Trapshooters must shoot their assigned **Handicap Yardage** or be disqualified. Your previous and current averages plus "**known ability**" will be used to determine your proper Class for Singles and Doubles, as follows:

A.T.A. Five Class System		
SINGLES	CLASS	DOUBLES
97% and up	AA	93% and up
94% and under 97%	A	89% and under 93%
91% and under 94%	B	85% and under 89%
88% and under 91%	C	78% and under 85%
Under 88%	D	Under 78%

4. Shooters with less than 1,000 Singles in the current and previous year must shoot in "**Class A**" or higher, unless they shoot "**Targets Only**". Shooters with less than 500 Doubles in the current and previous year must shoot in "**Class A**" or higher, unless they shoot "**Targets Only**". Shooters with less than 1,000 Handicap targets in the current and previous year must shoot on the "**Twenty-three Yard Line**" or higher, unless they shoot "**Targets Only**". Shooters who have been classified for "**Targets Only**" cannot play purses or options and they are not eligible for trophies, titles or added money! Registered A.T.A. targets shot during Preliminary Events may be used to achieve the minimum target requirements, but the burden is on each shooter to report for reclassification.

5. All Ladies, Sub-Juniors (a shooter who has not reached their 15th birthday), Juniors (a shooter who is 15 but has not reached their 18th birthday), Veterans (65 to 69 Years old) and Sr. Veterans (70 and up) must declare their special category during classification.

-TOURNAMENT RULES-

6. To prevent unnecessary delays, please be on your proper starting trap ready to shoot. Your squad cannot wait and must start without you! Shooters missing more than their first sub-event may be resquadded by shoot management and charged a \$10.00 resquad/makeup fee! Shooters may ***make up one sub-event*** on the practice trap. You cannot re-squad yourself by joining another squad on the line that has an open position.

7. Ties in all Preliminary Events will carry over to the next like event(s), except **HANDICAP**, which will be decided by a shoot off! Each shooter will be called for shoot off three (3) times and if they do not report for shoot off, they will forfeit the trophy and added money! **The high score in each class during preliminary singles and doubles events will be moved up to the next higher class.**

8. At all tournaments where All American points will be awarded in any event, shooters may declare only one category. Note: Chairshooters exempt from this rule. Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the Championship trophy shoot-off/carry-over and has declared a special category at the time of classification the shooter can fall back to the declared category. Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group. Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies. Once any declarations have been made either by shooter or shoot management, the declaration is final and can not be changed. There shall be no exceptions to this rule. All Ladies, Sub Juniorw, Juniors, Veterans, & Sr. Veterans must declare their special category at classification in any registered tournament if they wish to compete as a category shooter. **Without such declaration, the contestant will not be allowed to compete for the applicable category trophy for the duration of the tournament.** No contestant will be allowed to declare or change a special declaration after his/her first shot. There will be no exceptions to this rule.

9. Open trophies and added money shall be "**OPEN**" to all *Amateur Trapshooters*, regardless of their legal residence! All **F.T.A. Added Money Is Guaranteed** and will be awarded with the trophy and title! Please collect your trophy and have your photograph taken for the records. ***The F.T.A. will not ship or mail your trophies!***

10. In addition to the entry fee, all shooters must pay the daily A.T.A. (\$2.00) and the F.T.A. (\$2.00) fees. A Florida Hall of Fame Fee (\$.50) will be collected from all shooters when they enter the *Florida State Handicap Championships*. Only U.S. currency will be accepted! Entry fees cannot be refunded unless an event is canceled by Tournament Officials and/or the Host Club's Shoot Management! Entries will be closed when the last squad takes the line.

11. Options and purses are ***not compulsory*** and may be played at the time of entry only! Changes or cancellations will not be allowed after your entry has been paid. Pay off sheets will be posted for all events by the Host Club's computer operators, who cannot be responsible for errors in your scores after the pay off sheets are posted. ***Please check your scores after each event!***

TOURNAMENT RULES-

12. Only regulation A.T.A. trap loads may be shot! Factory shells and reloads may be used, however suspect shells will be subject to challenge by Tournament Officials and all violators will be disqualified.
