Shooter Responsibility & Shooting Procedure

Take your average card to the classification desk. Do not attempt to make your program entries before doing so. **BE SURE YOUR AVERAGE CARD IS UP TO DATE.** Be sure your classification and handicap yardage are marked plainly by a member of the handicap committee before you leave the table. It is your responsibility to know the rules. You are subject to penalties for shooting in the wrong classification or at the wrong yardage even if your card is so marked. It is the responsibility of category shooters to see that they are so marked at the time they are classified/handicapped. If your special category does not appear on the bulletin sheet, report the omission at the cashier's office. Squadding will be restricted to a maximum of 2 yards on a squad. The cashier will accept no counter checks or secondary party checks and the only type of cash or check accepted will be US funds. Checks will be accepted for the amount of shooting fees only - **No Exceptions.**

All entries are final. No additions or withdrawals permitted on purses and options.

NO ENTRIES REFUNDED UNLESS EVENT IS CANCELLED..

This program will absolutely govern the Tournament. The Amateur Trapshooting Association rules will govern all points not otherwise provided for. You may use your own shells including reloads. There are no compulsory purses.
