Please place an "X" in the box representing the event(s) for which each shooter wishes to be squadded. If you wish to squad for all events, you may write the word "ALL" on the line for each shooter applicable.

Applications that do not have each shooter's information completely and properly filled out will be rejected. Do not forget to include each shooter's yardage.

Please submit a second form if your shooters wish to shoot a different post for handicap or doubles or if you will have different shooters shooting any posts for subsequent events.

PRE- SQUADDING RULES

1. There will be a ten day preliminary deadline for the Florida shooters to pre-squad. The deadline for the Florida shooters advance pre-squadding is February 22, 2010. The FTA Pre-squadding committee will pre-squad all entrants according to postmark date. **PRE-SQUAD REQUESTS MAY NOT BE POSTMARKED BEFORE FEBRUARY 11, 2010.** Pre-squad requests must be postmarked by February 28, 2010.
2. The non-refundable service charge of \$2.00 per position, per event, must be included with your request form.
3. The use of paper entry cards has been eliminated. Please be sure to have your ATA plastic card when you are at the entry windows. You will not be able to enter any events without your plastic card.
4. If you draw squad positions that will not be used for an event, please see squadding personnel or use the self-service terminals to release your position. Releasing your position allows us to fill holes in open squads, making this tournament more enjoyable for all shooters. **A shooter may not draw more than one (1) position per event.**
5. You will directly input your entries, including options, at the cashier windows using a touch screen system. Upon paying your entry fees, you will be supplied with a receipt showing your squad, and position along with your class/yardage, options and applicable categories for each event entered. Once you leave the cashier window, your entry cannot be changed for options or squadding.
6. In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have pre-squadded for prior to the event. **Anyone that does not cashier or release positions that have been pre-squadded in their name will risk having any or all subsequent pre-squadded positions in their name released by management.** You may call the office at 813-920-3231 if you can not make it to the club in time and have your position released
7. **A shooter may only draw one position per event.** Any shooters wishing to squad together must fill out only one application indicating the shooters full name, ATA number, and handicap yardage on the line indicating which position that shooter wishes to shoot. Applications for full or partial squads that do not have each shooter's information completely and properly filled out will not be honored. **Multiple applications for any individual will be discarded and will not be refunded. The first application encountered will be processed only.**
8. **Squadding will be restricted to a maximum of 2 yards on a squad**
9. Banks 1 thru 3 are located in front of the new clubhouse and will be numbered from left (West) to right (East). Banks 4 thru 6 are located across the road near the old clubhouse, which is now the Golf Pro Shop, and will be numbered from right (East) to left (West).
10. Telephone requests will not be honored.
